

ARTICLE I
AGREEMENT AND RECOGNITION

Section 1. This Agreement is entered into the first day of July, 2004, by and between the Mount Pleasant Community School District, hereinafter referred to as the Employer, and Local 3865, American Federation of State, County and Municipal Employees, hereinafter referred to as the Union.

Section 2. Recognition. The Employer recognizes the Union as the sole and exclusive bargaining agent for all personnel described in the Iowa Public Employment Relations Board Certification Order issued in Case No. 6303.

ARTICLE II DUES DEDUCTION

Section 1. Dues Deduction. The Employer agrees to deduct Union dues once each month from the pay of those employees who individually request in writing that such deductions be made. The amount to be deducted shall be certified to the Employer by the appropriate officer of the Union and the aggregate deductions of all employees shall be remitted to the Union by the 15th day of the succeeding month after such deductions are made. Dues deduction forms will be provided by the Union. Termination of payroll deduction of Union dues shall be upon thirty days written notice provided by the employee to the Employer. Dues deduction cards will remain in effect unless and until canceled by the employee upon thirty days notice.

Section 2. Hold Harmless. The Union agrees to indemnify and hold harmless the Employer against any and all claims, losses, expenses and costs directly or indirectly arising out of the applications of the provisions in this Agreement between the parties for dues deductions.

ARTICLE III GRIEVANCE PROCEDURE

Section 1. Purpose. The purpose of this Article is to provide a method of prompt and equitable settlement of employee grievances. The Employer and Union agree that those proceedings shall be as informal and confidential as may be appropriate at any level of the procedure and agree to attempt to resolve all grievances informally at the lowest possible level.

Section 2. Definitions of Grievance. A grievance is defined as a claim by an employee who alleges a violation of the terms and conditions of this Agreement.

Section 3. Procedure. Grievances shall be processed according to the following steps:

Step 1 (informal). An employee with a grievance shall first discuss it with his or her immediate supervisor or designee within five (5) days after the date the grievant knew or should have known that the violation occurred. Any discussion between an employee and his or her supervisor or designee wherein the employee does not identify the discussion as pertaining to a grievance shall not be deemed to be Step 1 in the grievance process. Further, at any informal grievance meeting, the employee shall identify the Section or Sections of this Agreement claimed to be violated.

Step 2 (formal). If as a result of the informal discussion with the supervisor or designee at Step 1, a grievance still exists, the Union may invoke the formal grievance procedure. A written grievance claim shall be delivered to the Director of Building and Grounds or Building Principal within ten (10) days from the time of the Step 1 meeting. The Director of Building and Grounds or Building Principal shall indicate his or her disposition of the grievance in writing within ten (10) work days of the presentation of the formal grievance. If the grievant is not satisfied with the disposition of the grievance or if no disposition has been made within the ten (10) day period, the grievance may proceed to Step 3.

Step 3. The Superintendent or Superintendent's designee shall meet with the grievant and the Union within ten (10) work days of the receipt of the grievance presented at Step 3. The Superintendent or designee shall indicate a disposition in writing within ten (10) work days following that meeting and shall furnish a copy of the same to the Union. If the grievance still remains unresolved, the Union may appeal the grievance to Step 4 (Arbitration) by serving written notice to the Employer within ten (10) work days of receipt of the Step 3 disposition.

Step 4 (arbitration). Arbitration proceedings shall be available for grievances not resolved at Step 3 as follows: the Union and the Employer will meet upon request and agree, if possible, upon a mutually acceptable arbitrator. If the parties are unable to agree on an arbitrator either party or the parties acting jointly shall request the Iowa Public Employment Relations Board to provide a five-member panel list of arbitrators. Both the Employer and the Union shall have the right to reject two complete panels and to strike two names from a third panel list. By coin toss the parties will determine which party will strike the first name and names shall then be alternately stricken until one arbitrator remains. The remaining person shall be the arbitrator designated to hear and determine the grievance.

The arbitrator shall have no authority to add to, subtract from, change, modify or amend any of the provisions of this Agreement or to render a decision on any matter reserved to the discretion of the Employer or the Union. The decision of the arbitrator shall be final and binding upon all parties to this Agreement provided said decision does not exceed the arbitrator's jurisdiction or authority set forth above.

The cost of the arbitrator and expenses of the hearing shall be shared equally by the parties. The costs of any transcripts shall be borne by the party requesting the same without the necessity to furnish a copy to the other party, unless the parties agree to mutually to share the entire cost of transcripts.

ARTICLE IV SENIORITY

Section 1. Definition. Seniority shall be determined by the number of consecutive years of full time or regular part time employment in a bargaining unit position since the employee's last date of hire. Employees who are laid off or on duly authorized leaves do not lose or gain seniority during such periods. Regular part time employees or employees who are hired during the year shall be entitled to credit for length of service in the same proportion that time regularly worked by such employees bear to the time regularly worked by full time employees or employees hired for the entire year.

Section 2. Probationary Employee. (New) probationary employees shall be added to the seniority list ninety (90) calendar days after the date of hire. The ninety (90) calendar days probationary period may be reduced at the discretion of the Employer. Probationary employees may be released from employment during their probationary period without access to the grievance procedure.

Section 3. Seniority lists. The Employer shall prepare seniority lists as defined in this Article and those lists shall be furnished to the Union secretary and posted in all buildings by November 1 of each year. Seniority lists shall be updated annually and contain each employee's name, job classification and seniority date.

Individual employees or the Union shall have twenty (20) days after receipt of the seniority list by the Union to notify the Employer of error or omissions. Employer refusal to correct claim errors or omissions shall be subject to the grievance procedure.

Section 4. Job Classification. Each employee will be assigned to a job classification. The classifications are listed as follows: (a) Maintenance; (b) Custodian; (c) Regular Education Para-educator; (d) Special Education Para-educator; (e) Media Para-educator; and (f) Special Education One-on-One Para-educator.

ARTICLE V STAFF REDUCTIONS

Section 1. Order of Reduction. In the event it becomes necessary to reduce full-time employees for any reason, those employees shall be reduced in the inverse order of their seniority within their job classification. In the event it becomes necessary to reduce regular part-time employees for any reason, those employees shall be reduced in the inverse order of their seniority.

The length of a contract for a Special Education One-on-One Para-educator will depend on the attendance of the child. In the event the child withdraws from school, or is staffed out of the program, the para-educator's contract will be terminated. The employee may be reassigned to another student if a vacancy exists. The district shall have sole discretion to determine if the employee is qualified to fill the vacancy.

Section 2. Recall. Employees shall be recalled from reduction in force according to their Job Classification (Article IV, Section 4). Any employee laid off pursuant to this Article shall have, for a period of two (2) calendar years from the effective date of the original layoff, the right to be recalled. Employees laid off must inform the Employer of their current address. Employees who desire not to be included in the recall pool shall so inform the Employer in writing.

Employees do not lose or gain seniority during the period of layoff. An employee with recall rights may continue insurance benefits at the employee's option. The employee shall pay premiums directly to the insurance carrier.

Section 3. Job Displacement Procedure. When a job is eliminated, an employee so affected by said elimination may use his/her seniority to move to any position presently filled by someone with less seniority, providing that said employee is qualified for said position.

When an employee is displaced by such action, that employee may use his/her seniority to move to any position presently filled by someone with less seniority, providing that said employee is qualified for said position. Each person displaced under this procedure will have the same rights except the most junior person who will be laid off (domino-bumping concept).

ARTICLE VI TRANSFERS

Section 1. When a job is open (due to termination, transfer, or newly created position), the following criteria will be used to fill the opening: (a) needs and best interest of the district as determined by the administration; (b) qualifications and skills to perform the job; (c) performance evaluations over the past three years; (d) if all the above criteria are equal, length of service in the district will be the determining factor.

During the summer months, vacancies will be posted in the Central Office Building.
